

A Time

I wrote this as a type of response to those I have had numerous conversations with over the last 5 or so years. I cannot bring to recall the number, as there were many. The common thread went something like this:

“What happened to the good old days?”

Early this morning I got to thinking about the **“TIMES”** we are living in. Everyone of us who has lived life, i.e., those that have at least lived 50 plus years, know of a **“Time”** when folks cared much more than they do today. A **“Time”** when you could leave your doors unlocked, a **“Time”** where you could still find an honest Man.

Today, we are in the **“Transition”**, where **“Time”** is yet come to its fullness, subjecting us to **“TIME”**, the worst we have ever experienced. **“TIME”** – conducive to the **AUTOMATON** and the **BASTARD (ARTIFICALLY CONSTRUCTED BEING – 4XX Brain Genotype)**, is hardest on those with a **“True Heart”**, those **“Designed”** to live in an **“Harmonious State”**.

The **“Mental”** struggle exists, as we are juxtaposed between **“Time”** and **“TIME”**. **“Time”**, as we once knew it, still within the **OLD SYSTEM** that had not come to its **FULLNESS**, had **“Moments”** of **joy, peace and harmony**, fleeting as they were. **“TIME”**, the **FULLNESS** of the **OLD SYSTEM**, as it **DECAYS**, shows its true face, where everything has **“A PRICE AND NOTHING HAS VALUE”**, for it is the **WORLD** of the **AUTOMATON** and the **BASTARD**, creating great discomfort for the **Man**, the **“True Human Being”**.

Looking back is not the answer, yet, it is a *Natural Process*, as one wishes to **“Remember – Better Times”**, thinking a **TEMPORARY RELIEF** is better than **NO RELIEF**. However, we must all **“Remember”** – those were **“Moments of Time”**, not **“Time”**, only giving us a false sense of what is **“Good and Right”**, for we were still in the **“OLD EBR SYSTEM”**.

It is difficult for most folks not to wish for **“Better Days”**, reflecting back on a **“Time”** that seemed simpler, where you could still find a **“Man of His Word”**, where we have all experienced what seemed like **“Good Days”**. The **OLD SYSTEM** allowed for **TEMPORARY EXPERIENCE**, where we had **“Moments” of reprieve and that is all they were, as sad as that may sound – “It Is The Truth”**.

The **“Transition”** is just that – **“A Period of Transiting from A to B”**, in this case from **“SLAVERY – WHERE EVERYTHING IS DESIGNED TO SERVE THE DARK MASTER”** to **“A Sovereign State – Where Man Lives In Harmony With Man, Earth, Universe, Ever Evolving, Where All Things Are Of The Highest Value”**, a **“State of Time”** we have never fully experienced.

There are many good folks who are trying to **“Find Their Way”** in these most **“TRYING TIMES”** and if I could say a word to encourage them, perhaps myself as well, it would be – **“We Are Transitioning Into A World We Cannot Fully Imagine – Where The Greatest Sense Of Harmony Will Exist”** and **“For The First Time In Over 18,000 Years – We Will Live In Harmony”**.

In my conversations with Americans, those that really do care, there is a **“SENSE OF COMPLETE LOSS”** and I understand where this comes from, for all we have ever known are **FLEETING MOMENTS**, where **“Time Appeared WITHIN IN TIME”**. The **ILLUSION** of the **“Good Ol’ Days”** was a **TRAP** in the **“EBR - PROGRAMMED STATE OF TIME”**.

In my opinion, and that is all it is, **Humanity** is at a **“Cross-Roads”**. You do not have to know about the **New Knowledge** to understand – **“THESE ARE TROUBLING TIMES”**, where we are experiencing events, we have never seen before. Life seems **FRAGILE** and, it is. **FEAR**, for those capable of the emotion, has gripped the majority as they look into the **“Unknown”**, that is the **“Transition”**, and they know nothing of it, yet, sense they are in **TROUBLE**, for they have no answers to the **“EVENTS OF THE TIME”**. *Many DESPERATELY SEEK answers, deferring to their “PRIEST, PASTOR, POLITICIAN, DOCTOR, NEW-AGE GURU, ETC.”, having NO CLUE these are mere “PROGRAM PERFORMERS” acting out their RESPECTIVE PROGRAMS, set by the DYING OLD SYSTEM, and are therefore VOID of “Real Answers”.*

We “Must” focus our attention towards a “Future – DEVOID of the FEATURES of the OLD SYSTEM”, today, right now and this is no easy task, yet, it is a necessary requisite. If we LOOK BACK or SUSTAIN our CURRENT STATE – WE DIE, and dying is one thing, the real question is “WHAT HAPPENS AFTER DEATH?”. And, in seeking the answer to this we ACKNOWLEDGE, ACCEPT DEATH.

All vestiges of the OLD SYSTEM, nearly everything we know, must be “Parted With”. For those who are genuinely seeking, earnestly applying themselves, “Seek New Processes” and realize, this OLD SYSTEM MUST COMPLETELY DIE and in doing so, THERE WILL BE SUFFERING, these are the DYING THROES of a DESPERATE SYSTEM. Yet, we must not become “PARTAKERS”, consciously FOCUSING, THINKING about the EVENTS currently happening – “We Must Train Our Minds To The Future World, DEVOID Of THE OLD PROGRAMS”.

The “New Paradigm – Native Earth System” is NOT INFLUENCED by the OLD DARK PROGRAM and NEVER WILL BE AGAIN. The parameters of The Earth, The Universe and Mann, the Evolved Human Being, are set, its course CANNOT BE DIVERTED and those willing, open and seeking can Walk the Fair Waters of the Higher Mind. It is work, yet, what greater work, “Calling”, can a Man have?
